

Introducing the NEW +1AXIS INDEXER

(Model A100-15)

Sale Price: \$1,000*
(List Price: \$1,250)

- Quickly and easily add another work axis to your machining (3+1, 4+1, 5+1)
- Machined from aerospace quality 6061-T6 aluminum and clear anodized for corrosion resistance
- Machine 5-sides of a part without removing the part from the vise
- Index angles in 15° increments (+/- 16 arc seconds)
- 4.375" base mounts on 4.5" tooling blocks and tombstones
- Index Repeatability: +/- 10 arc seconds

Vise Compatibility: Techniks DV-075 Dovetail Vise / 5th Axis D-22 Large Dovetail Fixture / Raptor RWP-024 and RWP-024SS Dovetail Fixtures
